Dear Parent/Carer

**Re: Kudos**

As part of the careers guidance and education programme we deliver at Hurworth School, your child has access to Kudos, a career exploration tool from CASCAID.

Kudos is available online and we encourage you to check it out with your child so that you feel more informed about the important decisions your child must make about their future options.

Kudos will help your child to assess their interests and skills, as well as letting them explore and research different education and career options, enabling them to make informed decisions about their future. To access the program, please visit <https://kudos.cascaid.co.uk/> and click on the login button.

Your child will have received their login credentials from their teacher. They'll need to have their username and password ready. To help you to understand the options available to your child, we've created a handy Parents'/Carers' Guide to Careers Education & Guidance. To view the Parents' Guide please follow this link:

At Hurworth School our aim is to ensure that all students have the resources to fully explore and research their future options to make informed choices. We hope that you find Kudos useful and informative. Please let me know if you have any additional questions about your child's careers education.

Kind regards

Mrs Penny Hudson
