

Consent Form for the use of Biometric Information 2025-2026

By selecting 'Yes' against the Biometrics Consent within your child's electronic application form (or on paper copy), you consent to your child using the biometric systems for our cashless catering system until they leave school.

Once your child ceases to use the biometric recognition system, their biometric information will be securely and permanently deleted by the school.

Please note, you can withdraw this consent, in writing, at any time
