

## **Consent for School Trips and Other Off-site Activities**

By selecting 'Yes' for the 'School Visit' consent option, you are confirming if you are happy for your child,

- To take part in school trips and other activities that take place off school premises; and
- To be given first aid or urgent medical treatment during any school trip or activity.

Please note the following important information before confirming your consent:

The trips and activities covered by this consent include:

- all visits which take place during the school day, holidays, or a weekend adventure activities at any time
- off-site sporting fixtures outside of the school day

The school will send you information about each trip or activity before it takes place.

You can, if you wish, tell the school that you do not want your child to take part in any particular school trip or activity.

Written parental consent will not be requested from you for the majority of off-site activities offered by the school – for example, year-group visits to local amenities – as such, activities are part of the school's curriculum and usually take place during the normal school day.
